Dear Mr. Jones,

We would like to express our gratitude to Lunseth Plumbing & Heating Inc. for the excellent work done on the REAC-1 COELSAT project in Grand Forks, ND. This project was a one-of-a-kind facility and your partnership with PCL helped to complete the project.

UNDRF has expressed their satisfaction with the new facility and we could not have achieved this without the persistence and efforts expended by your team. Your work was much appreciated by the entire PCL team.

Thank you again.

Yours truly,
